# ORGANIZATIONS

## Student Cooperative Association

The Student Cooperative Association of Gar-Field High School is an exercise in self-government. Each member of the Gar-Field student body is encouraged to participate, to utilize his prerogative as a voter, to better his understanding of the democratic process. The S.C.A. is presided over by President Coley West who is advised by Miss Patricia Davies.

# Pep Club

The duty of Gar-Field's Pep Club is to encourage spirit and interest in all school athletic contests. One of the largest organizations, the Pep Club is responsible for the buses which provide transportation to many away athletic events.

## Indian Scripts

Indian Scripts is the title of our school newspaper. The staff always manages to turn out an issue with something of interest to every member of the student body. Sponsored by Mrs. Maxine Crane, Indian Scripts is an asset to our school.

## Collage

For the first time, Gar-Field has undertaken the production of a scholastic magazine, Collage. Contributions in the form of poems, short stories and cartoons are solicited from the students and it is the aim of the staff to publish two editions a year. This publication has proven to be an outstanding success. The student body has accepted it with enthusiasm.

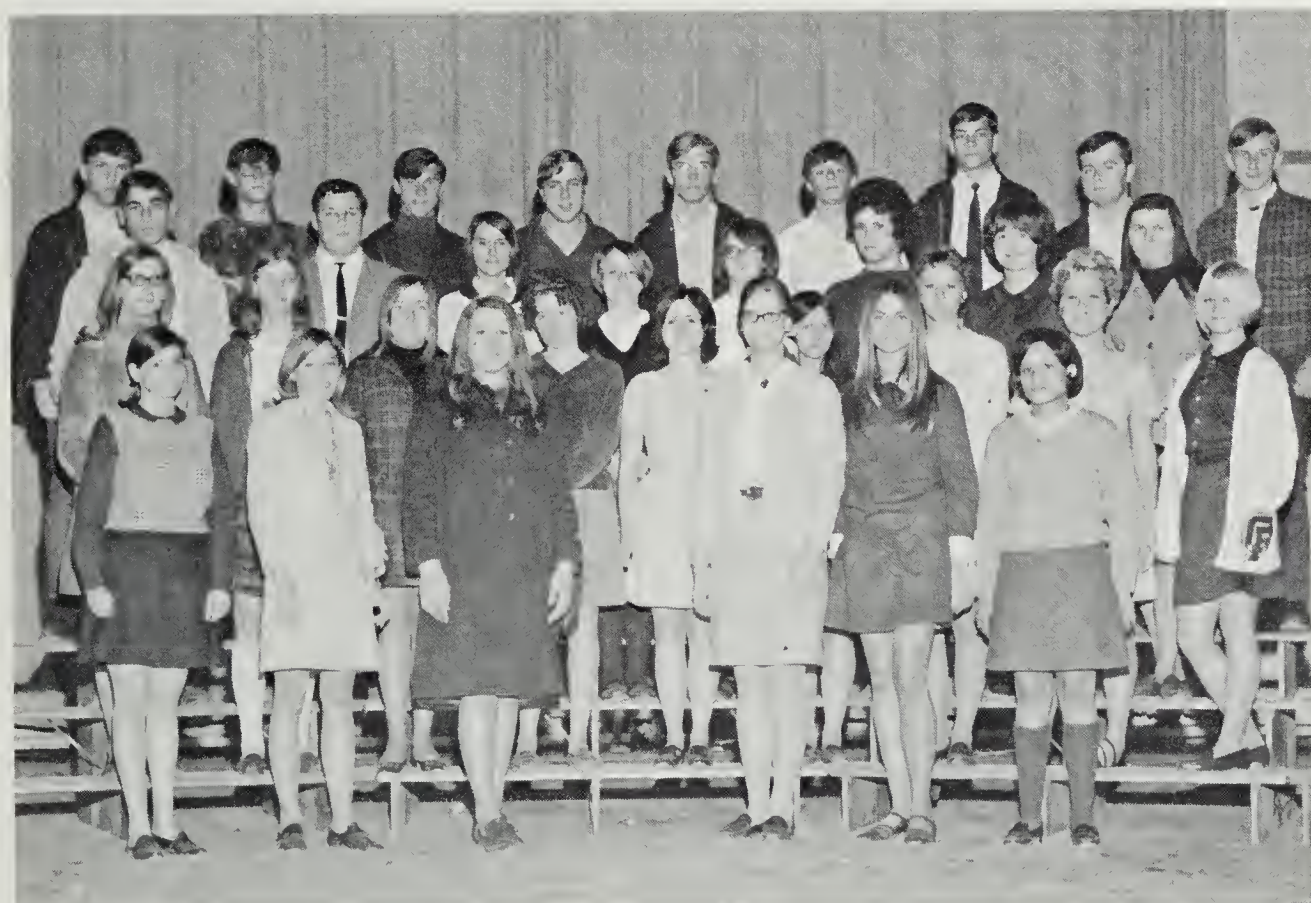

## Indian Echoes

The 1968-69 Indian Echoes staff has worked to produce a yearbook which the students of Gar-Field High School will enjoy looking at for many years. This year, the theme of the annual is "Passing Tides of Youth". Throughout the book this theme is presented through candid photographs.

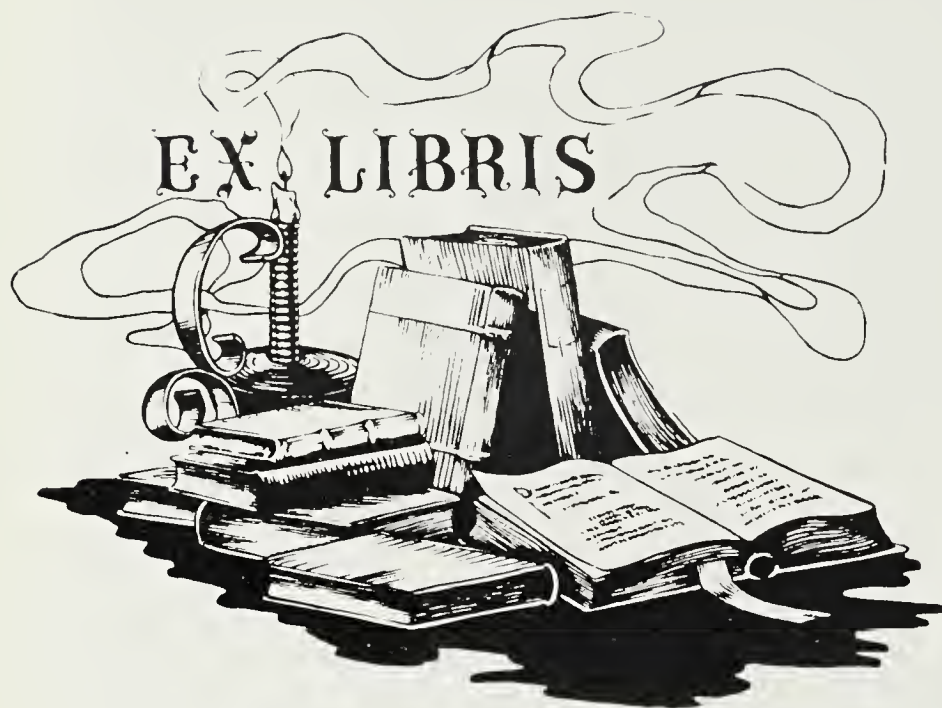

## Art Club

Though the art club is small, the club is a very active one. This year, the members have designed and painted stage sets and props for plays, they have given a party and made gifts for underprivileged children. They have also designed and made decorations for a formal dinner.

# Library Club

This year, the Library Club is very large in membership. Sponsored by Miss Poindexter and Mrs. Blake, the club works very hard to maintain the library's outstanding condition. These students care for the books and make sure that all visitors do the same. They work at the front desk of the library during their free periods, checking books in and out for students and returning books to the shelves. This is the reason for the constant increase in study and reference materials available to the students of Gar-Field.

## Dramatics Club

The Gar-Field High School Dramatics Club has always been characterized by fine performances on stage. This year, the group has, again, displayed hard work and outstanding talent. The largest production of the year was the three-act play *Teahouse of the August Moon*. This play was a great accomplishment. The production was complimented by many. Later the club sponsor-director, Miss Poindexter, coached students from the freshmen, sophomore and junior classes to present three class plays consecutively for school and evening performances. Then came the competition play. Gar-Field's performers received a superior rating.

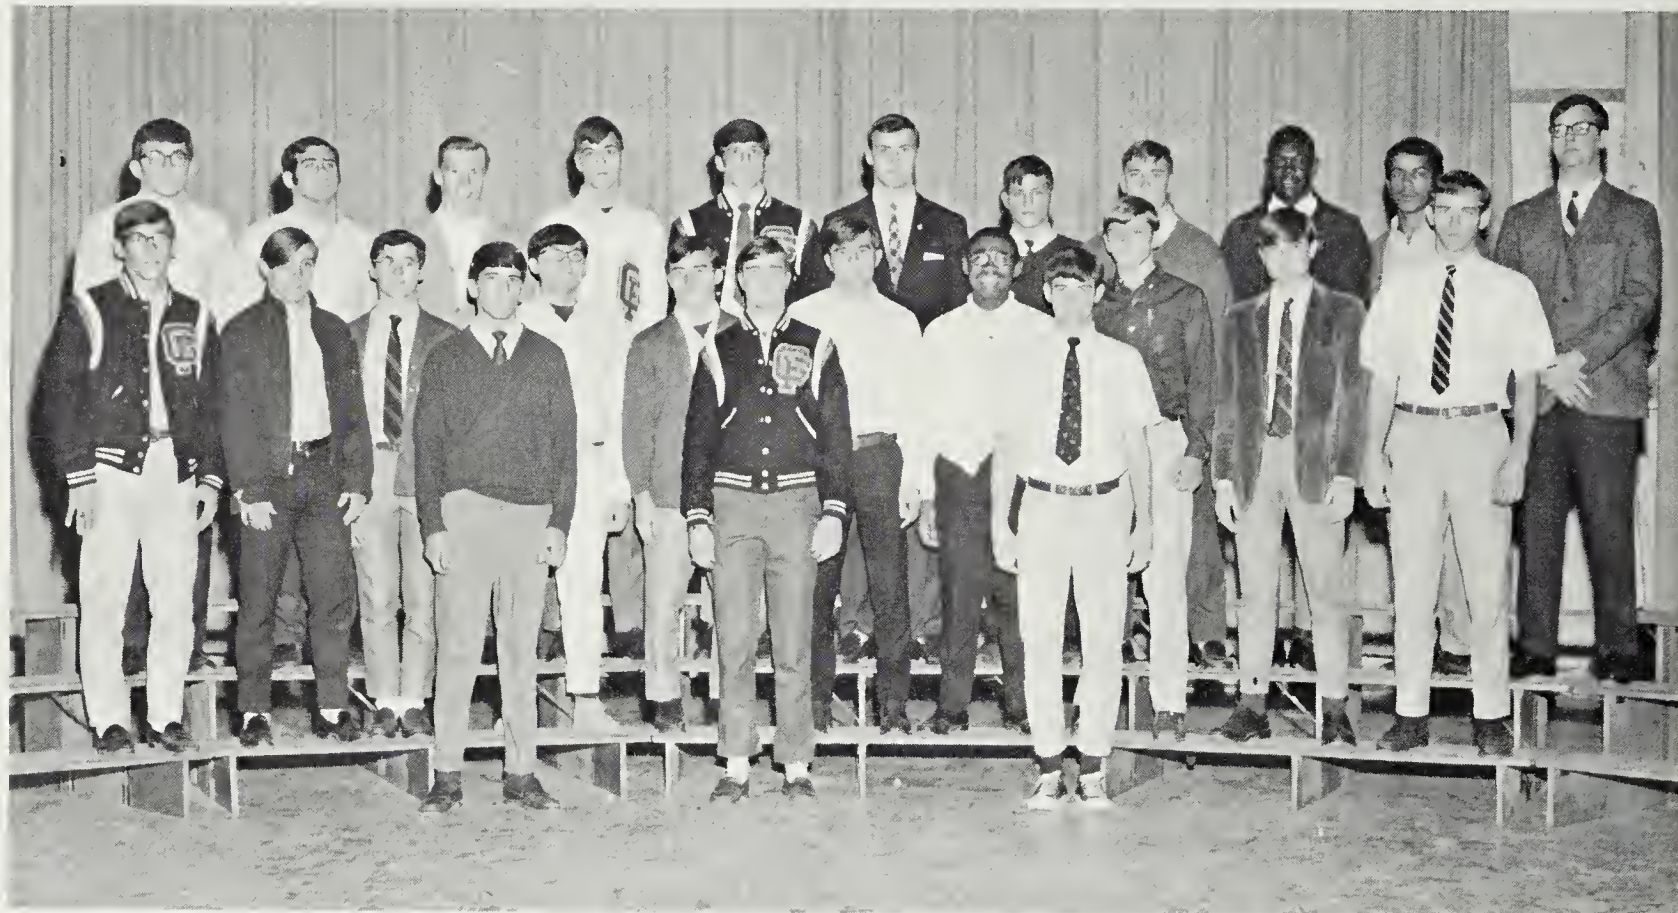

137

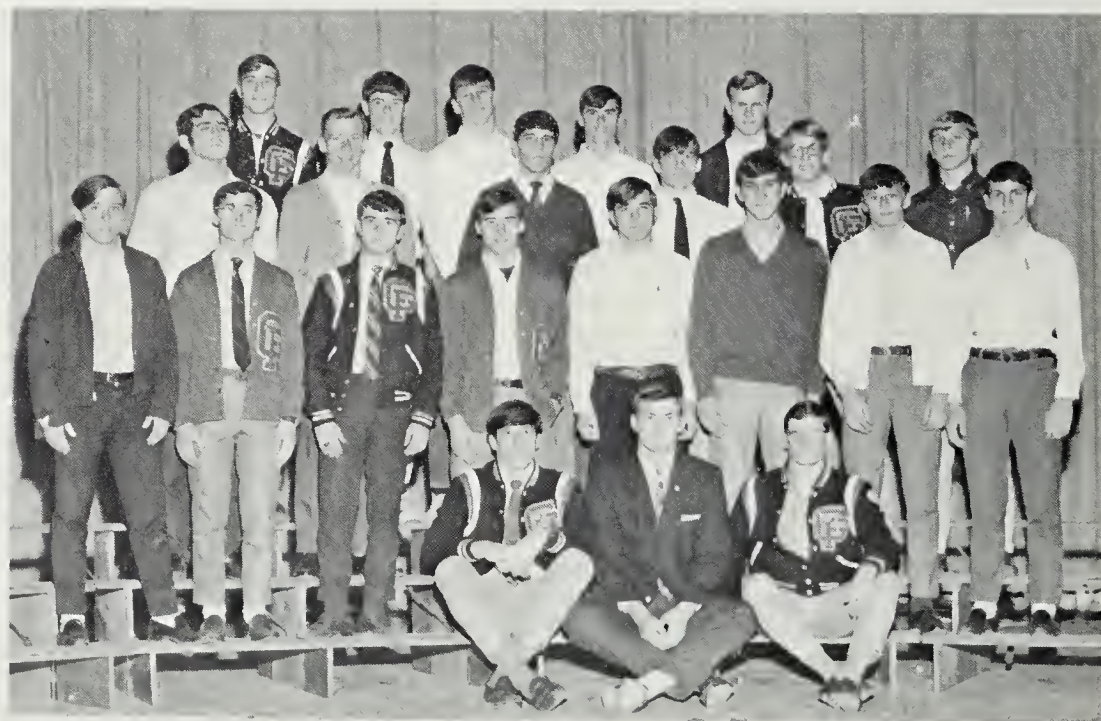

# G-F Club

The G-F Club is made up of those boys at Gar-Field High School who have met the requirements by receiving a letter in a sport. To get a letter an athlete must reach a standard set by the athletic department.

# Key Club

To become a member of the Key Club, a student must perform a service to his school and show an interest in his fellow students and the activities of the school. Each fall, new members are initiated into the club. The senior members force the new ones to perform hysterical feats for the student body.

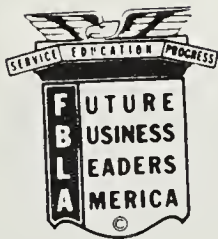

# Girls' Varsity Club

The Girls Varsity Club at Gar-Field is an organization dedicated to school and community service. To gain membership to the club, a girl must earn a letter in a sport. At Christmas, these girls have a toy drive for underprivileged children. During football games they run the concession stand at all home games and they also are in charge of the school store throughout the school year.

The Gar-Field F.B.L.A., or Future Business Leaders of America Club, is another school service organization which is open to all business and commercial students. All of the clubs' activities are exercises in business leadership. This club sponsors numerous activities throughout the year, including the sale of mums at homecoming and a Christmas toy drive.

## Future Business Leaders of America

# Future Teachers of America

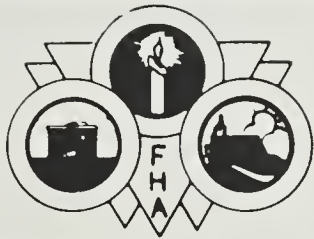

The goal of F.T.A., or the Future Teachers of America, is to help prepare young people to meet the requirements of the teaching profession in the future. The members of this group occasionally help out in regularly scheduled G-F classes when the teachers need assistance. In the spring, the club members also go to local elementary schools for two days and resume the roles of those teachers. This gives the future teachers experience for their own future benefits.

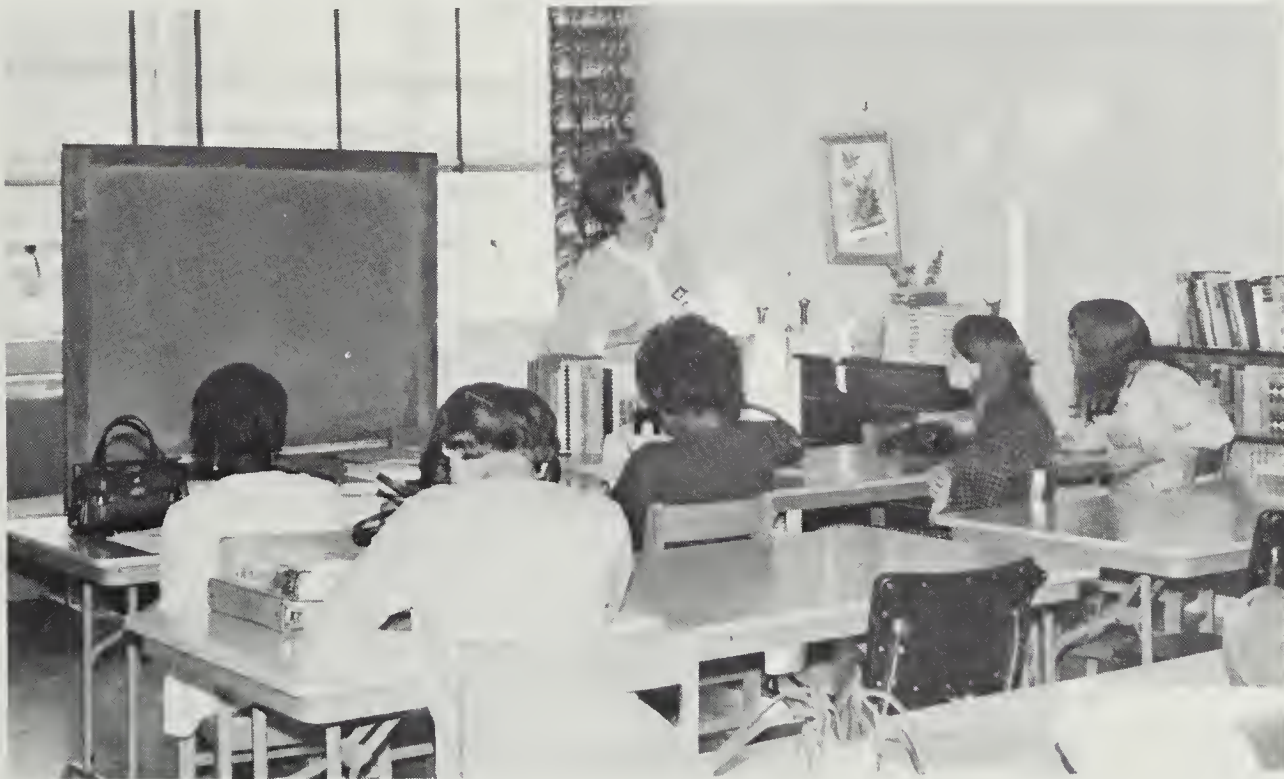

# Future Homemakers of America

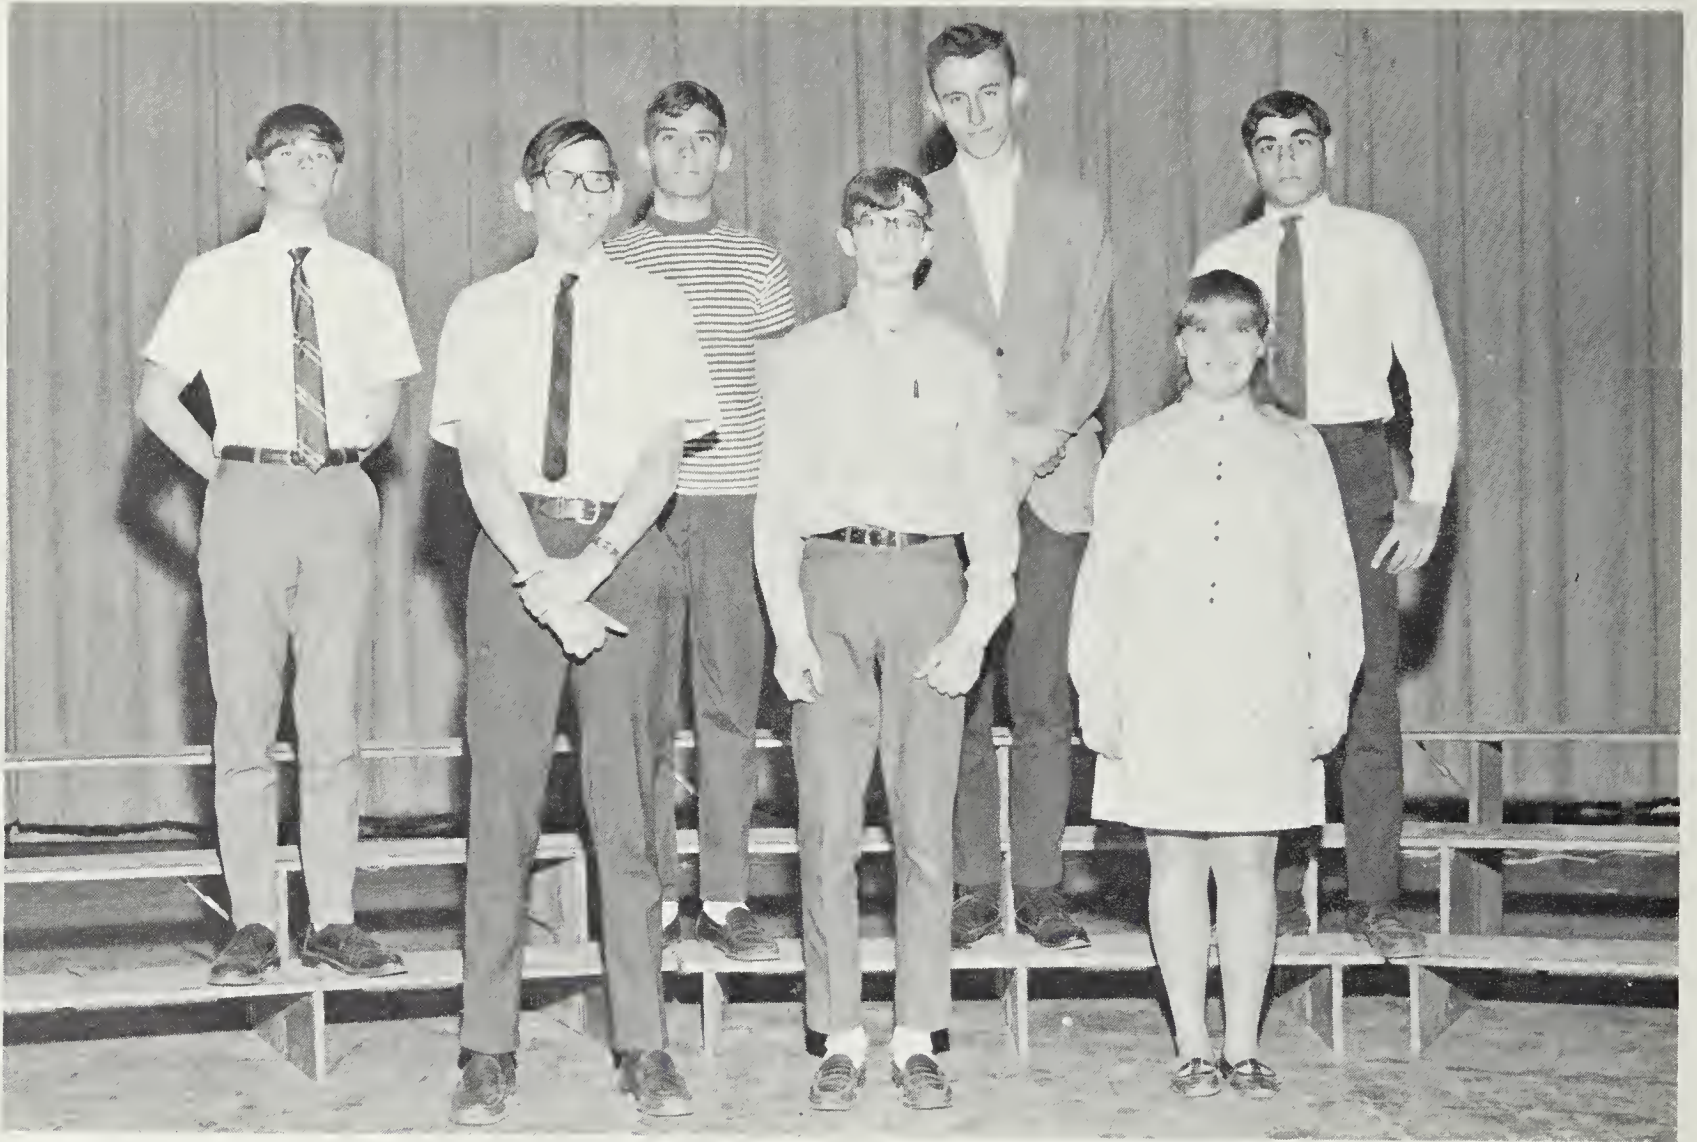

The F.H.A., or the Future Homemakers of America, is for girls interested in homemaking and the domestic arts. The club members often listen to guest speakers on the different aspects of homemaking. The club also provides material for one of the hall bulletin boards.

# Debate

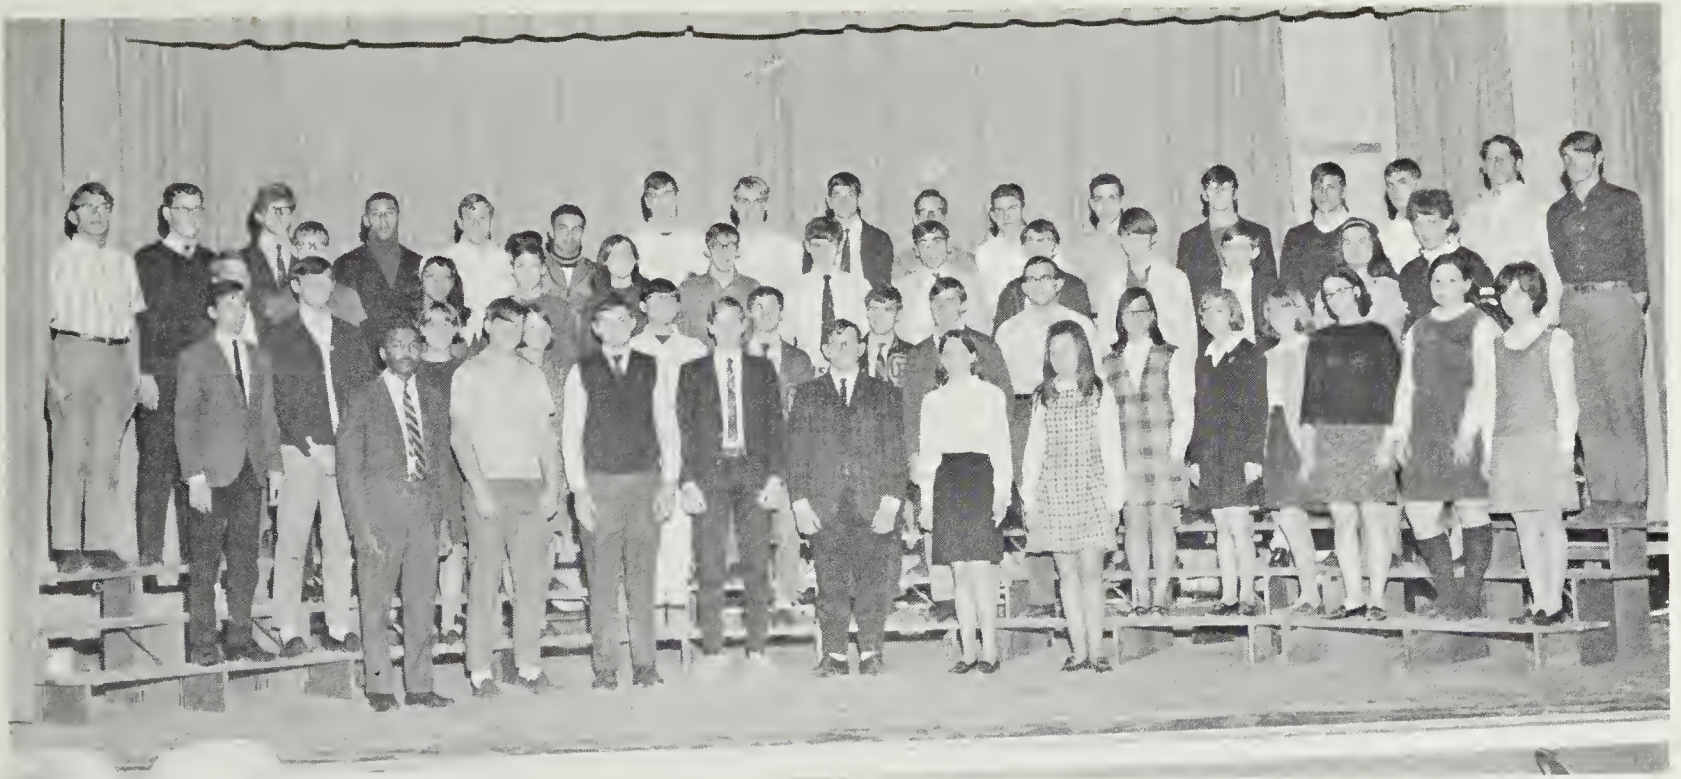

The Debate and Forensics teams have similar interests. Mr. Charles Edwards sponsors the Forensics team while Miss Virginia Anderson coaches the team of debators. Both groups enter into competition with other schools after spending a great deal of time in preparation for these meets. Both teams hold very fine records in their fields.

# Forensics

## Science Club

The Science Club, open to interested science students, has projects of interest to the members. The club takes field trips to places of scientific value to its' members. The primary interest is to aid those students planning to enter a scientific field. To them, the club gives a great deal of assistance.

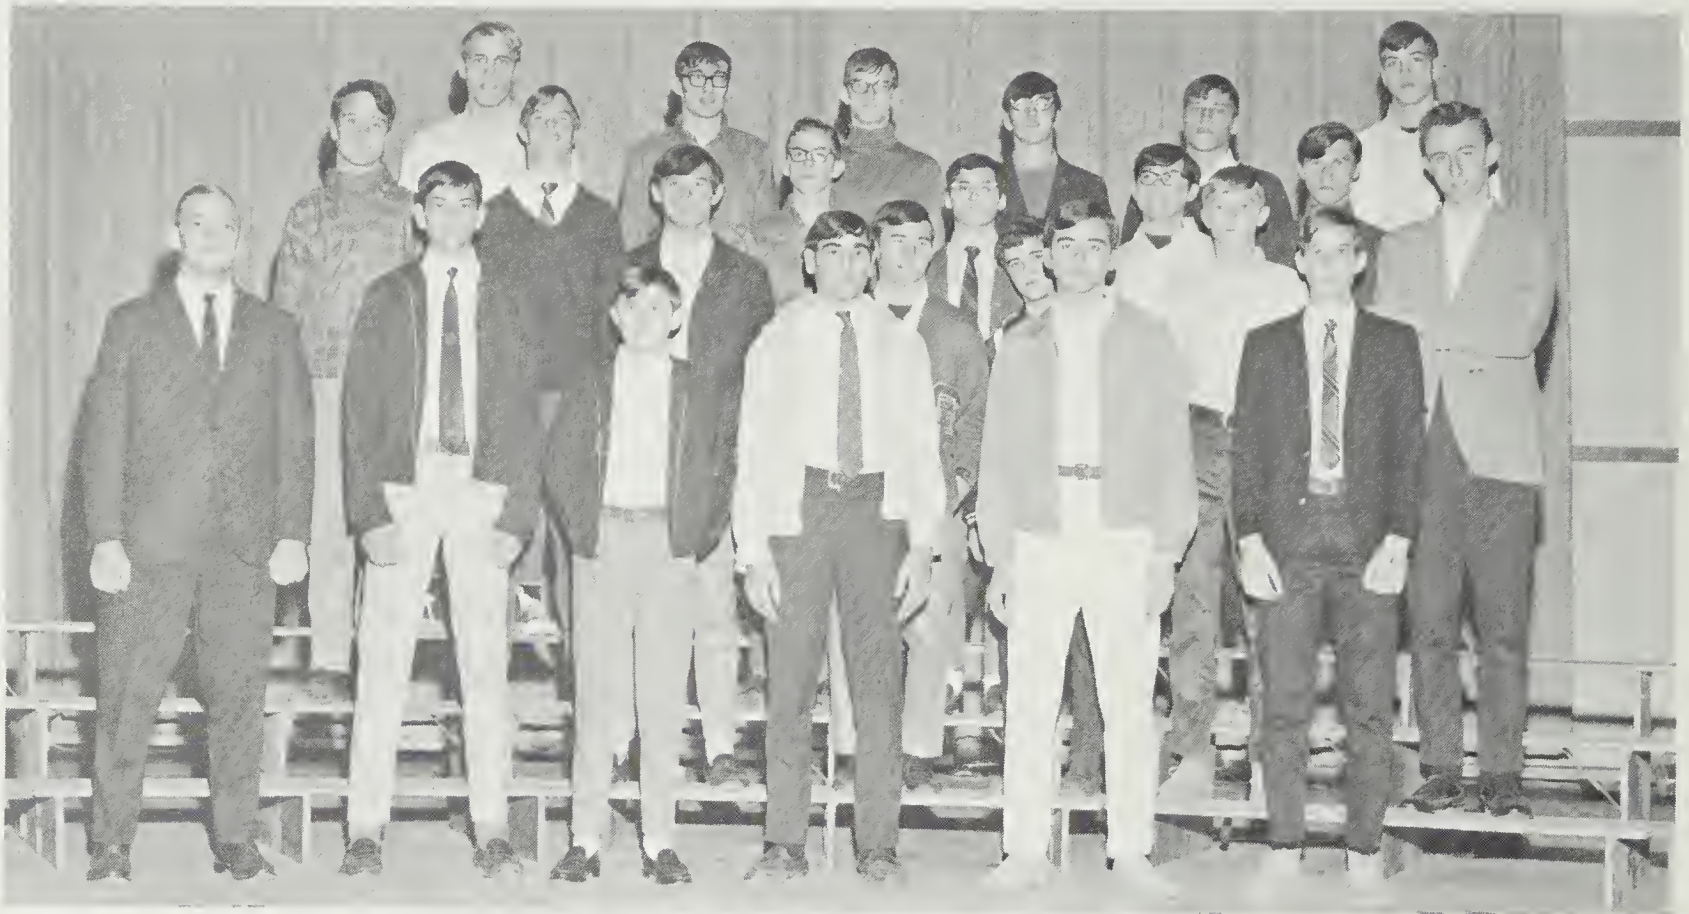

## K.V.G.

The K.V.G. (Keep Virginia Green) Club, is newly formed this year. The members are a group of students interested in the conservation of Virginia's beautiful outdoors. They work toward this goal through the activities of this club.

# Chess Club

## It's Academic Team

The Chess Club is made up of students interested in the game of chess. They compete in informal games among themselves. They study the history of chess and develop their ability. The IT'S ACADEMIC team (below) is a group of students who have been selected on the basis of their overall knowledge. They compete against other schools on television for scholarships.

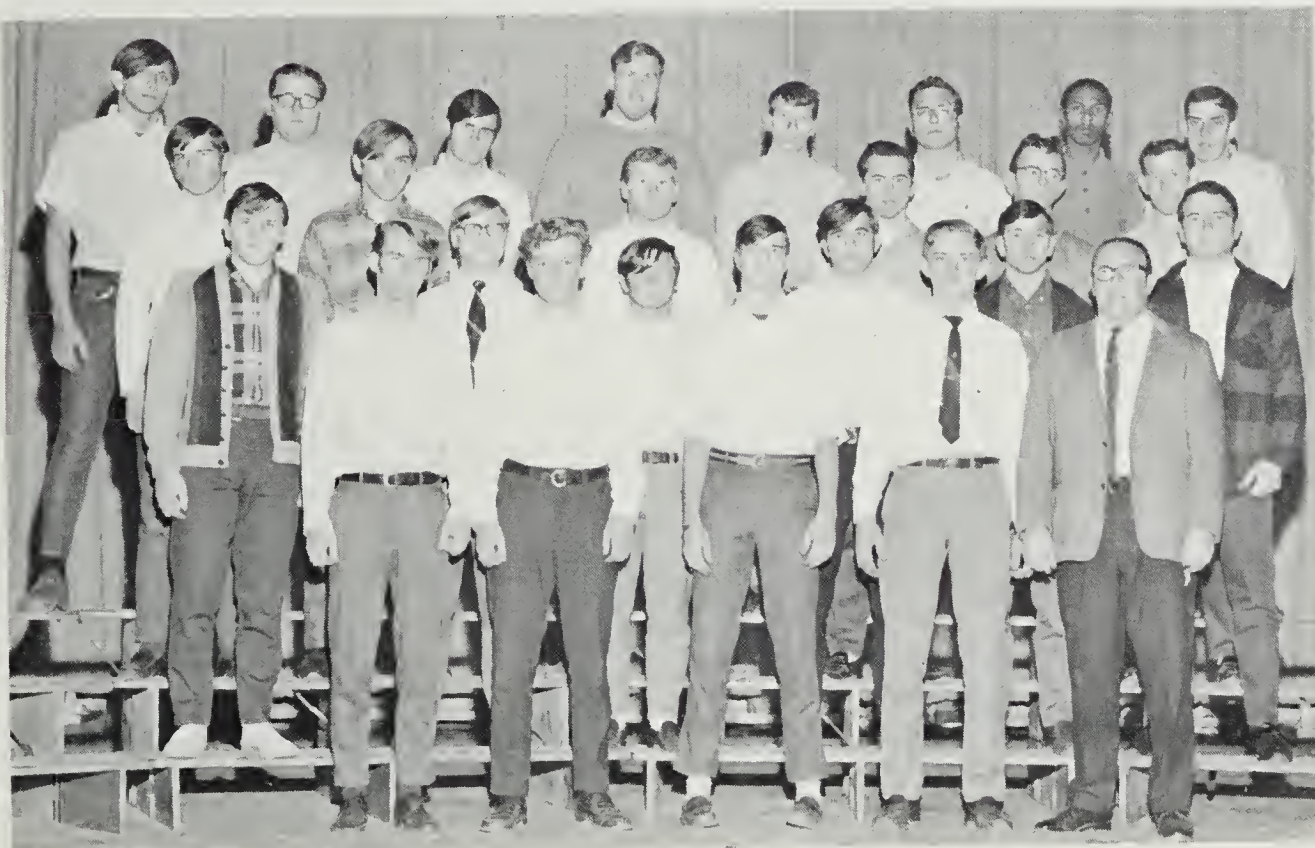

# Beta Club

The Beta Club is the only scholastic honorary society at Gar-Field High School. To be in this club, a student must maintain a high scholastic average. The group sponsors the Male Beauty Contest held each year in order to raise club funds. In the spring of each year, members attend a convention of many school Beta Clubs. This is held in Charlottesville, Virginia. At the end of the school year, the Beta Club offers a scholarship to a student showing outstanding academic promise.

The Club of Industrial Cooperative Training is geared to train young people for successful business activities. The students are taught in the classroom and given on-the-job experience in local places of business.

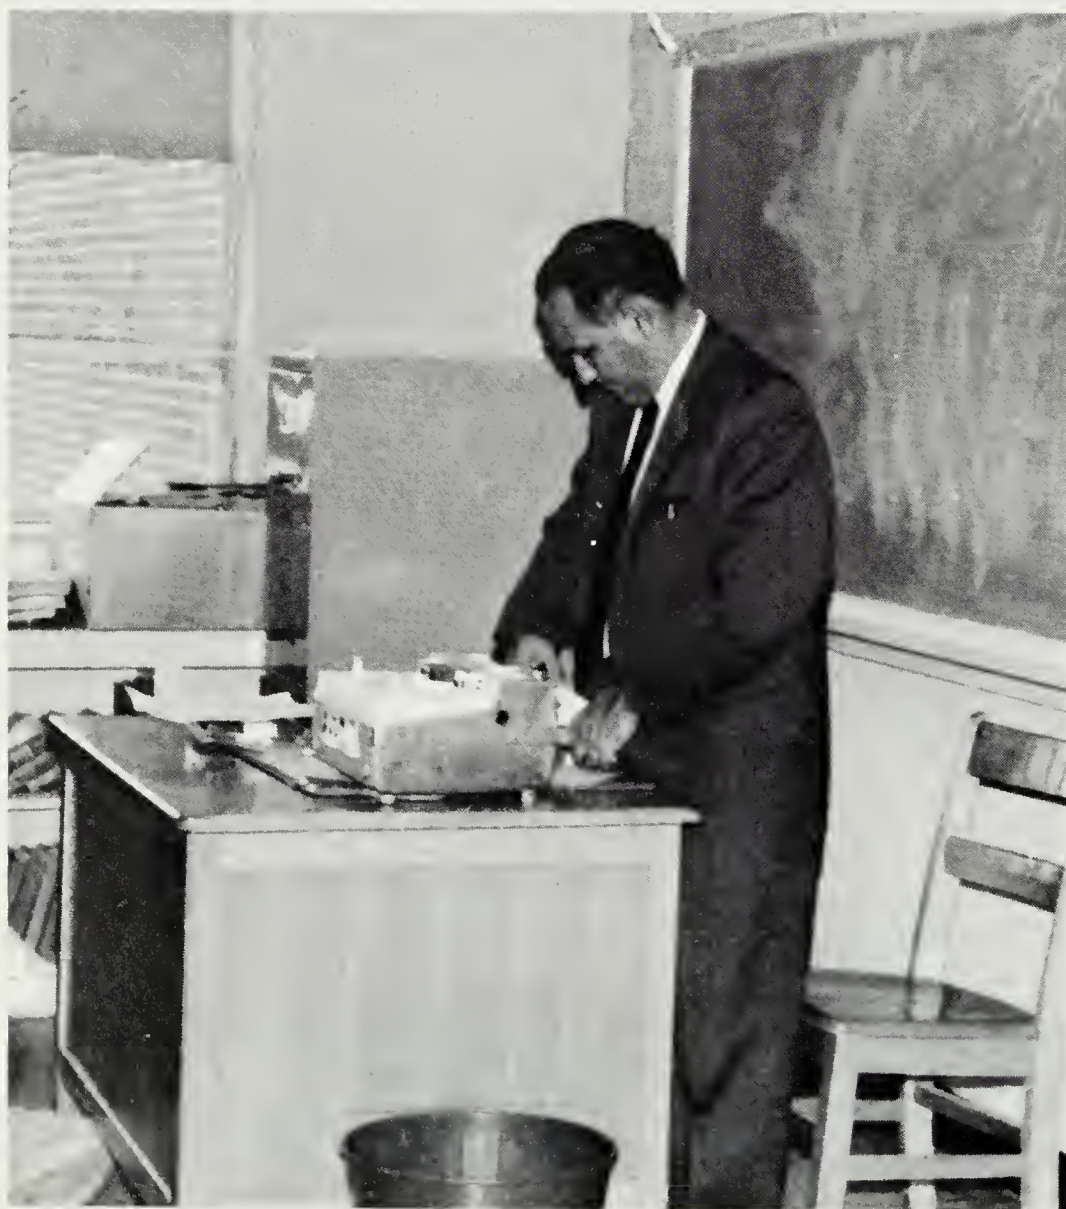

## Spanish Club

It is the aim of the Spanish Club to develop in its' members an interest in and appreciation of Spanish speaking countries' culture. The club takes field trips and centers all of its' activities around this purpose.

# French Club

The French Club, again composed of those students taking French, takes field trips and has meetings with the idea of furthering an interest in France and its culture. The club members have been very active this year. They have sponsored candle sales at Christmas and Valentine sales to raise funds for their various club activities.

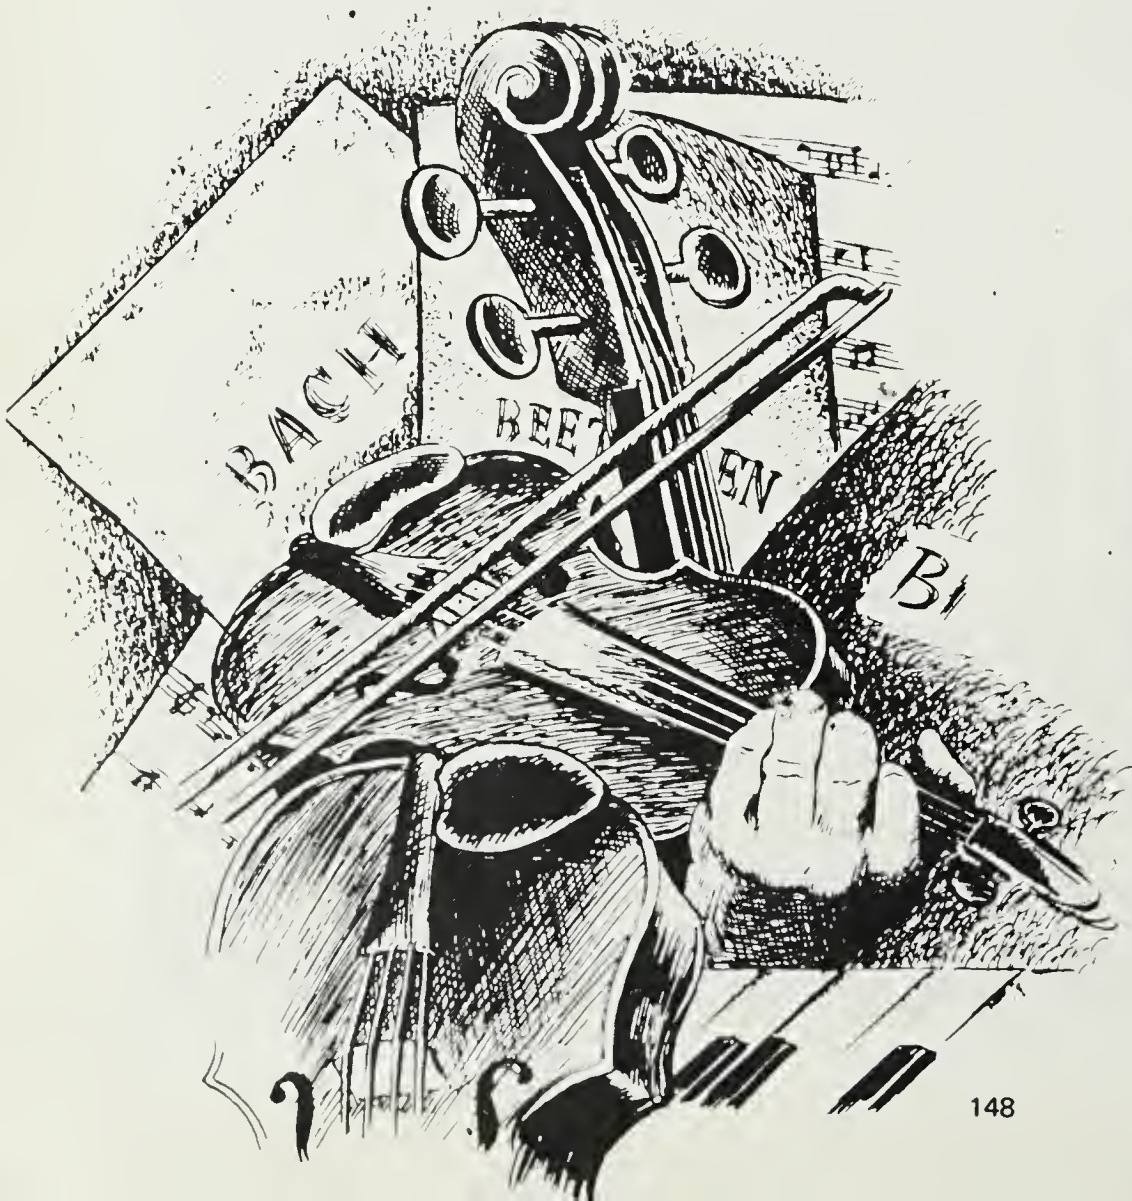

## Band

The Gar-Field High School Band is composed of student musicians who enjoy performing and encouraging school spirit. The band is aided by our majorettes and newly formed color guard. Together, they work as a unit in representing Gar-Field in parades. The band has performed concerts on numerous occasions and it has competed and fared very well. The majorettes have also won honors.

Majorettes

Color Guard

# Choirs

## Concert Choir

Gar-Field has a many faceted choral group composed of the Concert Choir, the Varsity Choir, the Boys' and Girls' Choruses and the Madrigal Singers. In competition, these groups always rate highly and they always present an outstanding performance before the student body. The groups are sponsored by Mr. Jim Council who has done a fine job in working with the students his first year at Gar-field. He aided the students in a production of a musical this spring. It was entitled **Oliver**.

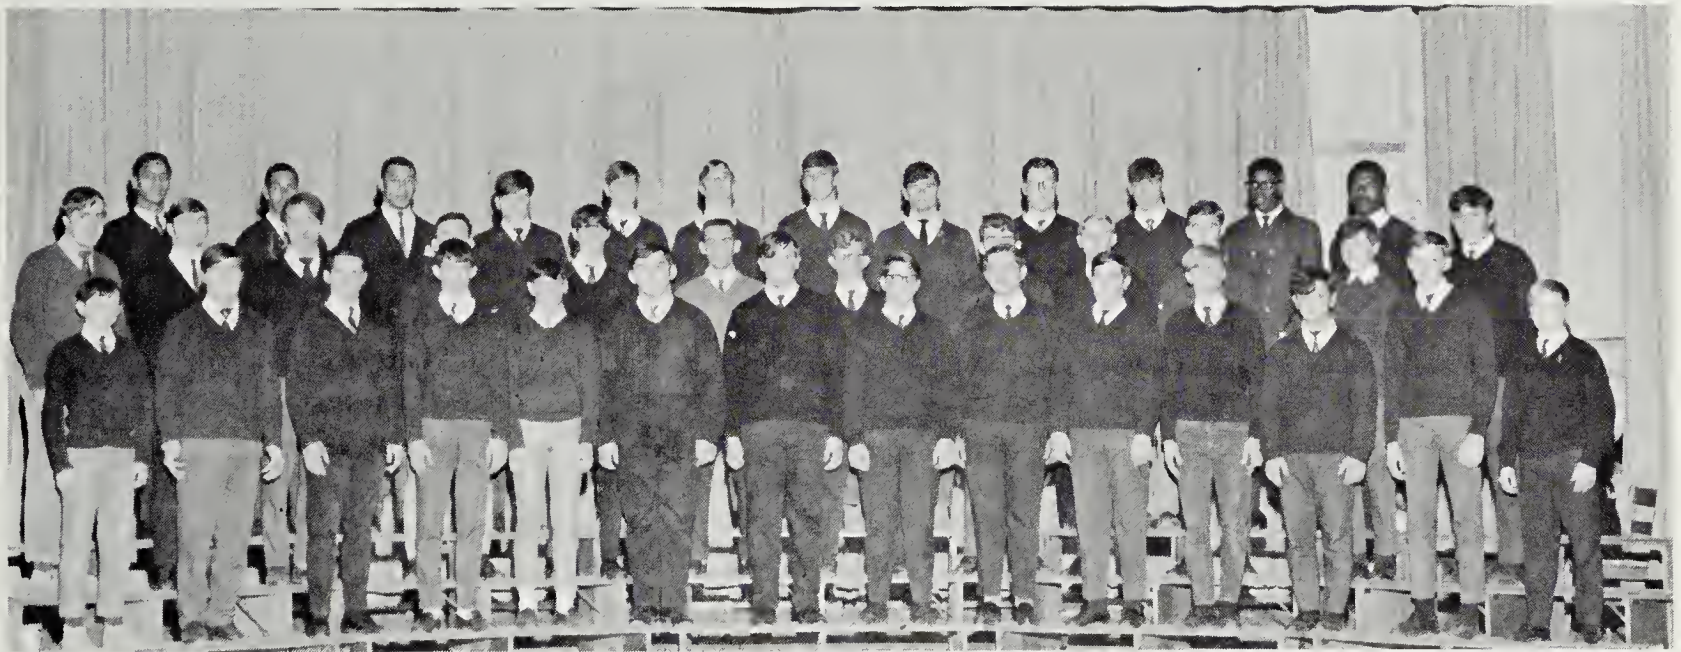

## Varsity Choir

Girls' Chorus

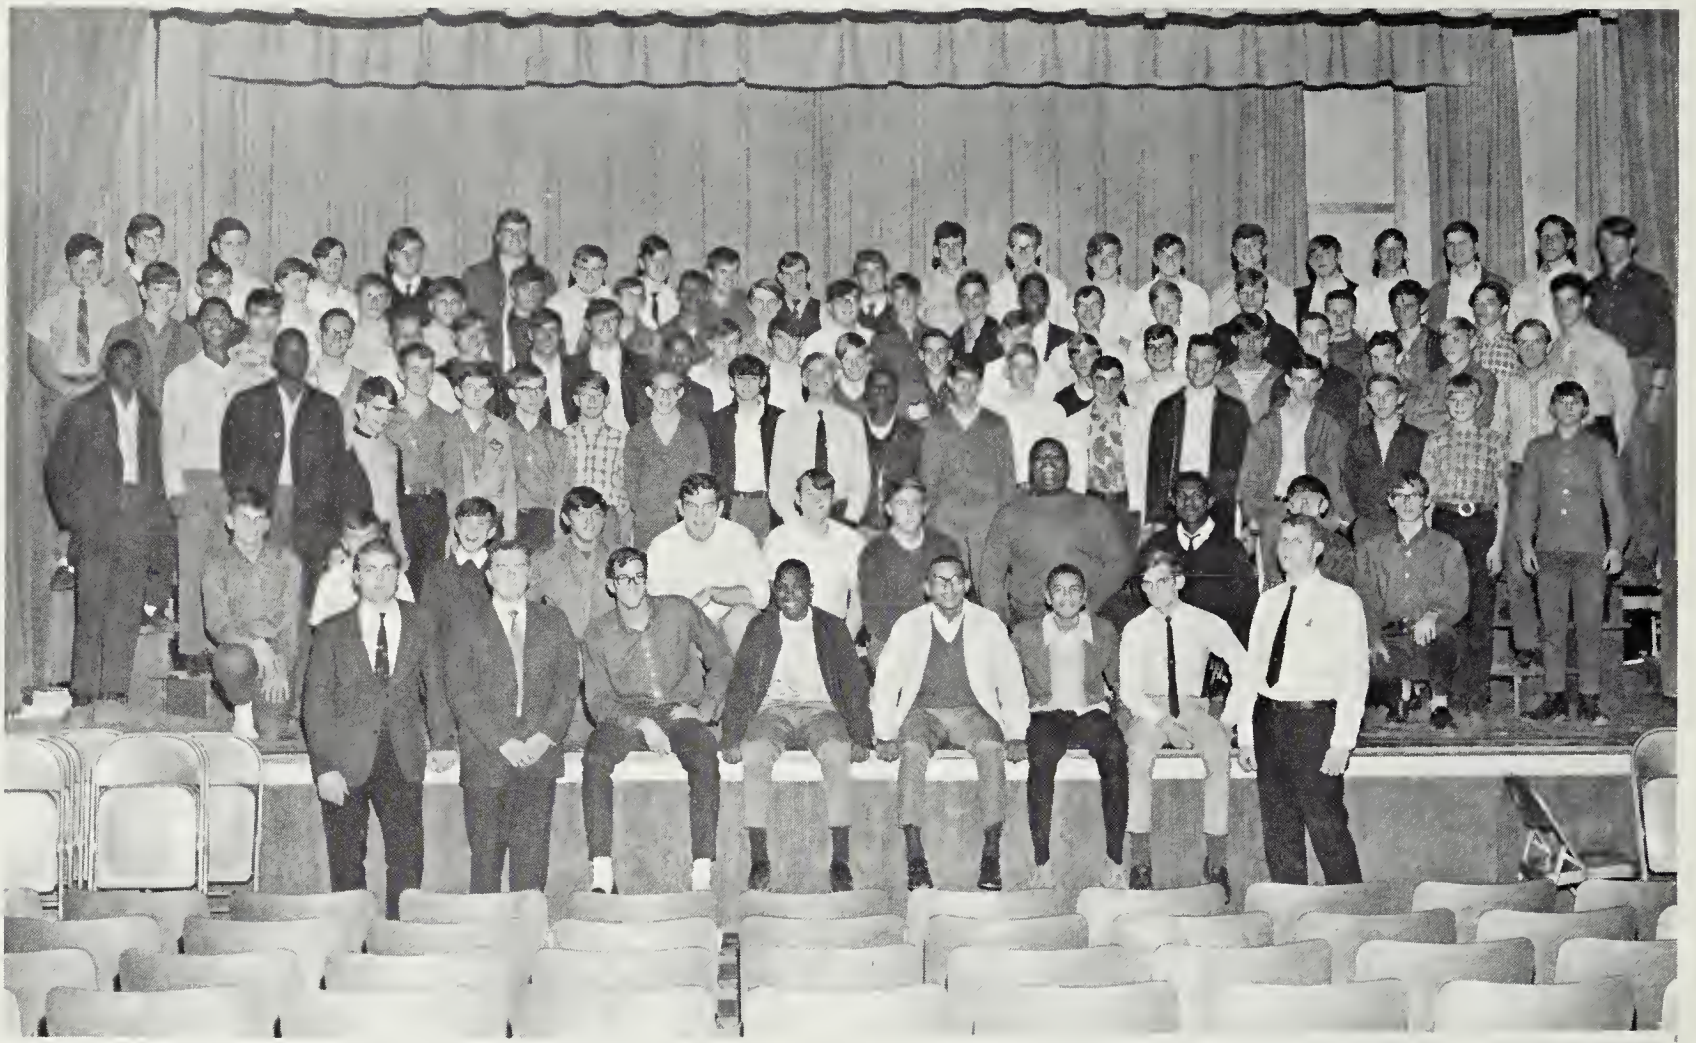

Boys' Chorus

Madrigal Singers

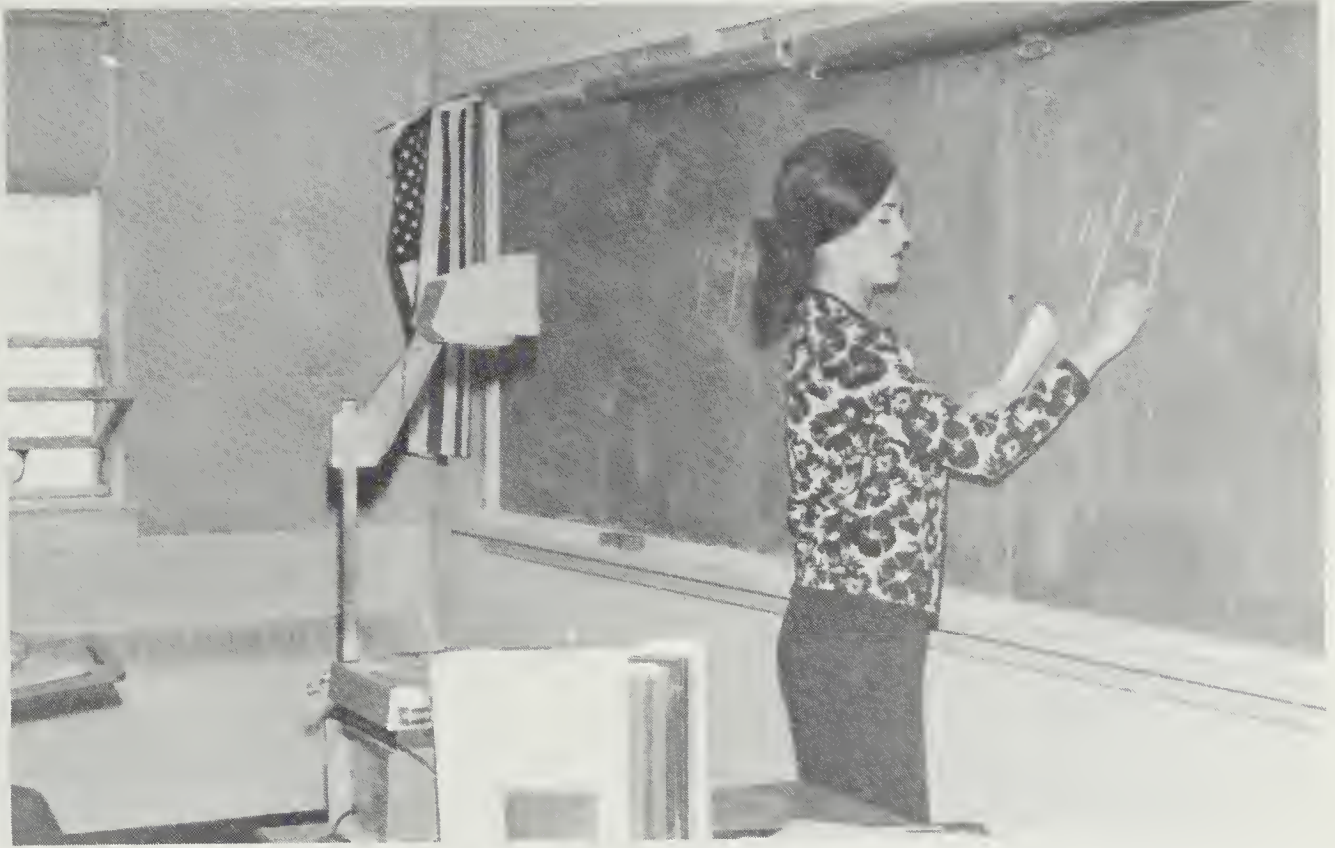

Industrial Arts Club

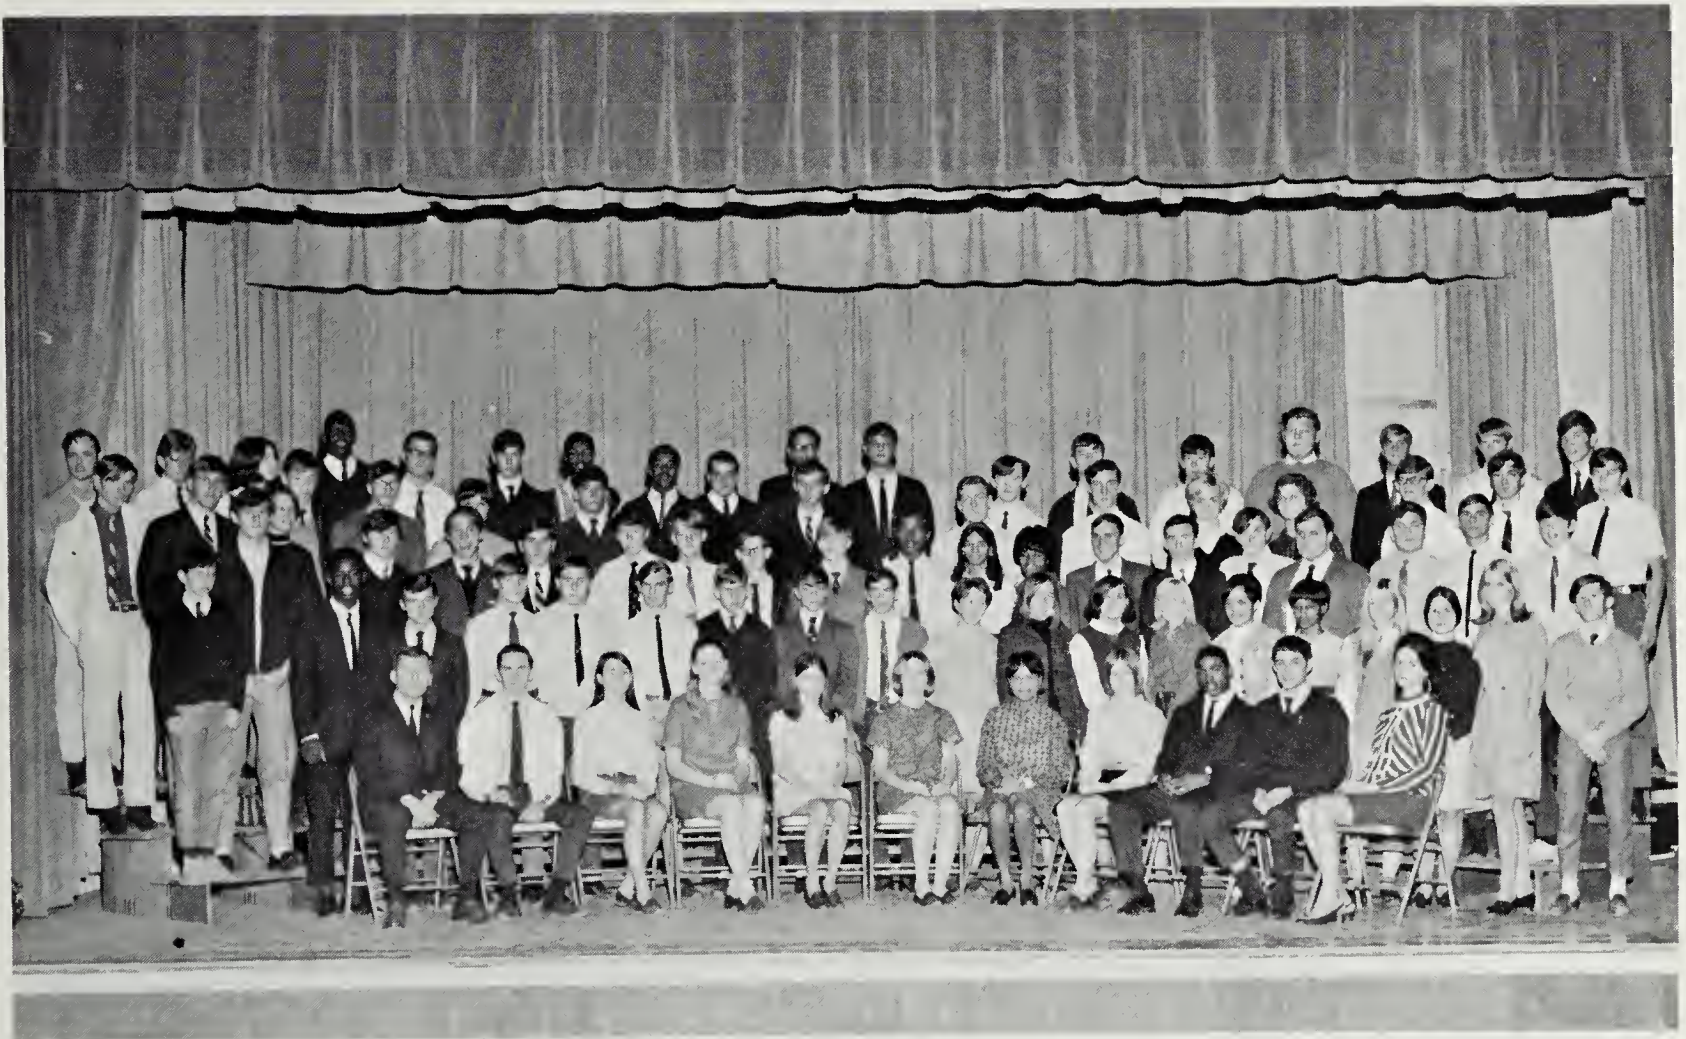

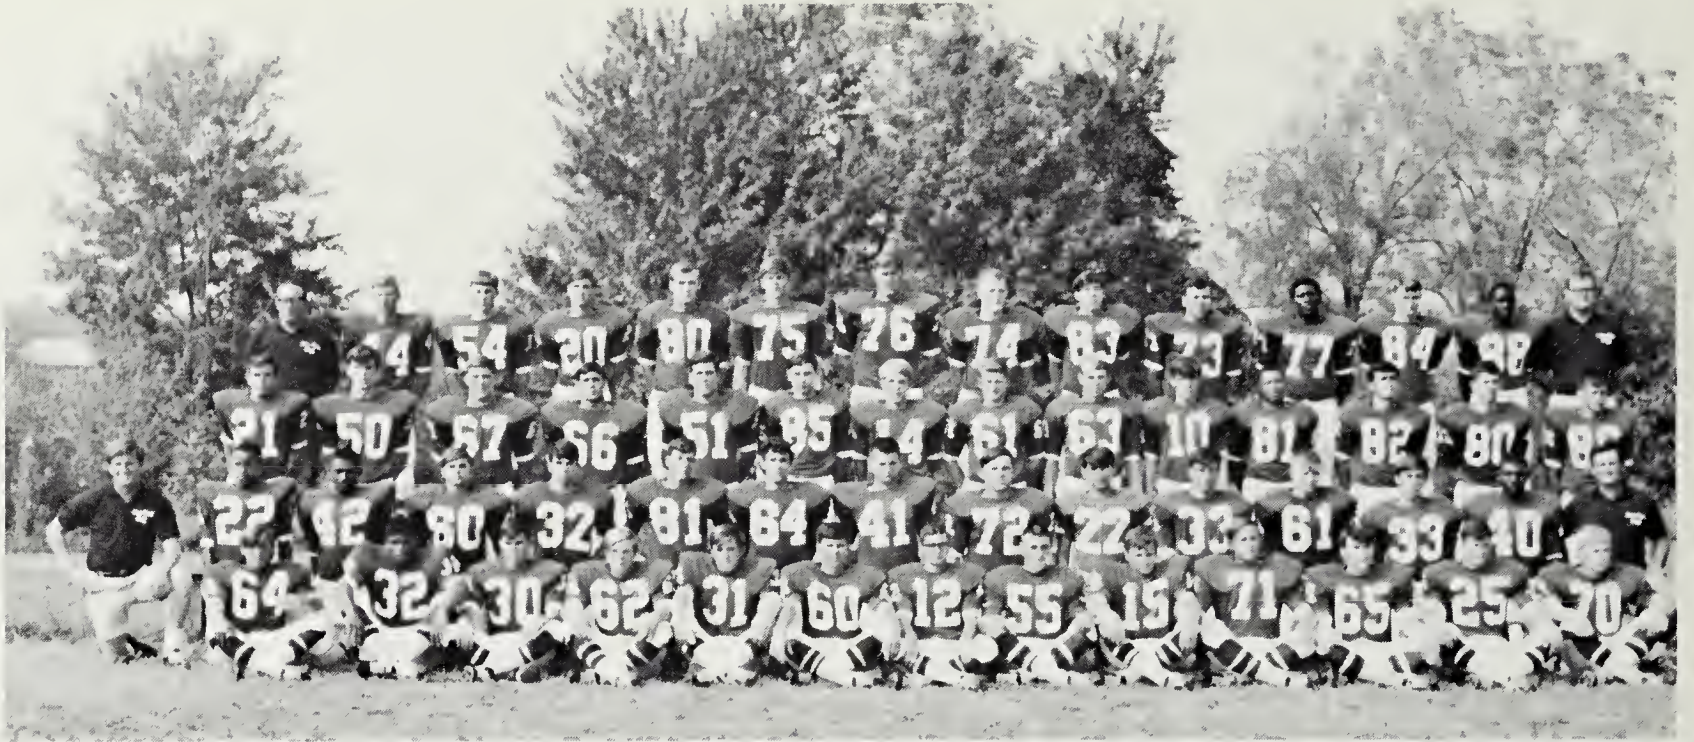

# Distributive Education Club

The Distributive Education Club is an organization dedicated to producing business leaders. It is made up of those students who take D.E. in school. The members are always involved in money making drives of one sort or another. This all aids in the students' understanding of management and business affairs.

**Come see  
the making  
of power**

Vepco's first commercial atomic power station is now under construction in Surry County, Virginia. In the new Information Center overlooking the site, you will see an excellent slide presentation, fascinating exhibits, and a working model of the reactor. (And from the balcony, you can watch them assemble the real thing.) Open 10 AM to 4 PM Monday through Saturday and 1 PM to 6 PM on Sunday. For tour information call 771-3194 in Richmond.

We members of the 1968-69 staff of the Indian Echoes, would like to express our appreciation to our publishers and especially to Mr. A. Overby for their unending assistance and understanding.

*Quality Makes the Difference*

The cover photograph was taken at the 1968 Homecoming game for the 1968-69 Indian Echoes.

Our most sincere thanks goes to Mrs. Myra Watts, our sponsor, without whose help and support this edition of the Indian Echoes would not be possible.

# In Memoriam

The time you won your town the race  
We chaired you through the market-place;  
Man and boy stood cheering by,  
And home we brought you shoulder-high.

Smart lad, to slip betimes away  
From fields where glory does not stay  
And early though the laurel grows  
It withers quicker than the rose.

Michael Beaumont

So set, before its echoes fade,  
The fleet foot on the sill of shade,  
And hold to the low lintel up  
The still-defended challenge-cup.

To-day, the road all runners come,  
Shoulder-high we bring you home,  
And set you at your threshold down,  
Townsmen of a stiller town.

John Zeets

Eyes the shady night has shut  
Cannot see the record cut,  
And silence sounds no worse than cheers  
After earth has stopped the ears:

Now you will not swell the rout  
Of lads that wore their honours out,  
Runners whom renown outran  
And the name died before the man.

And round that early-laurelled head  
Will flock to gaze the strengthless dead  
And find unwithered on its curls  
The garland briefer than a girl's.

. . . A. E. Housman
